AMERICA'S MOST TRUSTED NAME IN PORTABLE BUILDINGS.

Derksen Portable Buildings has worked for over 31 years to become America's most trusted name in backyard storage solutions. Since 1995, Derksen has set the standard in the industry, innovating and producing top quality buildings at an affordable price. Constructed in the tradition of Mennonite Craftsmanship, each of our structures is handmade and built to last. When you buy a Derksen, you can have confidence we will be here for service after the sale.

BUY OR RENT-TO-OWN

At Derksen, you have purchasing options. Derksen established our popular Rent-to-Own program as an alternative to expensive, inconvenient off-site storage units. When you Rent-to-Own your Derksen building, you get a low monthly rent payment and the peace of mind knowing you are building equity. There is no penalty for early payoff. At the end of your term, you own the building! Your building is conveniently and securely located on your own property. Consumer lease/purchase agreements are available for Oklahoma customers.

5 YEAR WARRANTY ON MATERIALS & WORKMANSHIP.

Derksen stands behind its quality with a 5-year limited warranty on materials and workmanship for our standard product line and a 3-year limited warranty for our Best Value series. We're committed to addressing any construction or material issues beyond normal wear and tear. Coverage includes core components such as metal elements, roofing shingles, pressure-treated lumber, and siding, in alignment with manufacturer warranties.

MORE VARIETY. MORE OPTIONS. MORE CHOICES.

Get the building you really want. Derksen Portable Buildings offers more choices when it comes to storage buildings, garages, playhouses and cabins. We are proud to offer more styles, options and exterior finishes than any other company in the business. From an 8'x12' original Derksen Barn to a 16'x50' Deluxe Lofted Barn Cabin, Derksen Portable Buildings offers everything you want and everything you need.

QUALITY. SERVICE. VALUE. THAT'S DERKSEN.

BUILT IN THE TRADITION OF MENNONITE CRAFTSMANSHIP

- ▲ All treated lumber comes with a LIFETIME limited warranty on rot and fungal decay.
- ▲ All skids and floor framing are built with pressure treated lumber.
- ▲ 10' wide buildings and wider come standard with 2"x6" floor joists. 8' wide buildings and all horizontal metal buildings come standard with 2"x4" floor joists.
- ▲ 8' and 10' wide buildings are built on two (2) pressure treated notched skids. 12' buildings and wider are built on four (4) pressure treated notched skids.
- ▲ Siding choices to fit any budget. Choose from Treated T1-11, Painted or Urethane LP® SmartSide® Siding, 29 gauge Z-Metal (vertical) or 29 gauge H-Metal (horizontal).
- ▲ All 8' wide buildings come with a single shop-built door. All 10' and wider buildings come with double shop-built doors (excluding cabins and garages).
- ▲ Your choice of dimensional shingles or standard color metal roofing—SAME PRICE!
- ▲ Metal buildings (horizontal) have a size limit of 24' in length.
- ▲ 12' wide buildings and wider are measured eave to eave due to Department of Transportation hauling restrictions (excluding Texas).
