AMERICA'S MOST TRUSTED NAME IN PORTABLE BUILDINGS.

Derksen Portable Buildings has worked for over 28 years to become America's most trusted name in backyard storage solutions. Since 1995, Derksen has set the standard in the industry, innovating and producing top quality buildings at an affordable price. Constructed in the tradition of Mennonite Craftsmanship, each of our structures is handmade and built to last. When you buy a Derksen, you can have confidence we will be here for service after the sale.

BUY OR RENT-TO-OWN.

At Derksen, you have purchasing options. Derksen established our popular Rent-to-Own program as an alternative to expensive, inconvenient off-site storage units. When you Rent-to-Own your Derksen building, you get a low monthly rent payment and the peace of mind knowing you are building equity. There is no penalty for early payoff. At the end of your term, you own the building! Your building is conveniently and securely located on your own property.

5 YEAR WARRANTY ON MATERIALS & WORKMANSHIP.

Derksen offers a 5-year limited warranty on materials and workmanship on our standard line of products, and a 3-year limited warranty on our Best Value line of products. We value our long-standing reputation for craftsmanship and quality. We will repair or replace any construction or material defect that does not fall within the reasonable expectation of an outside storage building. Our building materials, such as metal, shingles, treated lumber and siding, are covered by manufacturer's warranties.
